ASSEMBLY :

* EARS :

To make the inside of the ears, cut your shape in paper to create your pattern. When you're happy with the size and shape, use it to cut out 2 pieces of felt and glue them in place.

Sew ears on top of the head.

* ARMS :

Sew arms on both sides of the body. They should be placed in the alignment of the ears.

* EYES :

*Embroider pupil on eyes with black yarn (you can use a French Knot)
Stuff eyes lightly and sew them on head.*

* NOSE :

Either embroider it, or cut a small triangled shape piece of felt. Glue it on the face between the eyes, slightly below the midline of the pupil.

* EXPRESSION :

Let your creativity speak for itself ! Use felt and embroidery to create your very own expressive bunny :D
