

HORTENSE JELLYFISH

Pattern by ©June Lee Hooker - 2018

SKILL LEVEL :

To make this pattern you will need to know how to :

begin with a magic ring ● chain ● slip stitch ● single crochet ● half double crochet ● increase ● work in front loops only ● ● work in back loops only ● work in continuous rounds ● work flat

GAUGE AND FINISHED SIZE :

Gauge is not essential for this project : you can use any size of hook you want as long as your yarn choice is consistent with it. Just be careful to work tight stitches so as the stuffing doesn't show through.

Rare pic of a jellyfish sunbathing with a sombrero :

The bigger hook size you'll choose, the bigger your Amigurumi will be !
